**JUSTICE MAHON SURPRISED.**  
Refuses to Allow Charges Against a Milkman to Be Withdrawn.

Albert S. Beakes, of 304 Sixth Avenue, is one of the most prominent milk dealers in the city and he supplies a very high class of customers.

On March 31 he was arraigned to the Yorkville court on complaint of sanitary inspector Loren Van Berberg, charged with having sold milk containing 15 per cent of adulteration. Mr. Beakes denied the charge and demanded an examination. He was held in \$1,000 bail and the case set down for examination to-day.

This morning Justice McMahon and said he desired to withdraw the complaint against Mr. Beakes, as an understanding had been reached. Justice McMahon was much surprised.

"What? You make such a request? You, the man who made the charge? This is the strangest request I have ever received." The Justice further said that he would wish the request for a withdrawal to come from some one higher in authority.

He also doubted that any such request would have been made if the defendant had been a poor widow instead of a wealthy and well-to-do individual.

He then continued the examination to April 21, with the same bail.

**SLINEY'S INSANITY DOUBTED.**  
His Demeanor Not Unlike that of Other Confined Men.

SING SING, April 18.—There is considerable comment as to the sanity of Mike Sliney, whose insanity was doubted by the court yesterday. The man was brought from Sing Sing Prison to the asylum at Westchester, N. Y., where he was committed to the care of Dr. Sliney, who is the superintendent of the asylum.

Dr. Sliney said that after conferring with the other physicians at the asylum, he was of the opinion that Sliney was sane, and that he should be returned to Sing Sing Prison.

Dr. Sliney's opinion is in line with that of the other physicians at the asylum, who all believe that Sliney is sane.
